Studies and Research

November 7, 2019

Dear Mr. Baldaryan,

I am writing to confirm that a grant of \$1,390 has been approved in support of your travel to the Bodleian Library to access manuscripts for preparation of a critical text of the trade manuals of Constant of Julfa.

The grant will be issued by the Knights of Vartan Fund for Armenian Studies, jointly administered by the National Association for Armenian Studies and Research (NAASR), who will disburse the funds to you.

Acknowledgement must be made in any presentation or publication arising from the supported research of the organizations providing the grant, and copies of any published material must be provided to NAASR and the Knights of Vartan when available.

Please let me know if you have any questions or concerns.

With very best regards,
